### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Robert K. Cerpa on 3/9/04.

The application has been amended as follows:

**In claim 37, the entire text of the claim has been deleted and replaced with:**

**-- A pharmaceutical composition comprising a compound of claim 3 and a pharmaceutically acceptable excipient--.**

**In claim 38, the entire text of the claim has been deleted and replaced with:**

**-- A pharmaceutical composition comprising a compound of claim 4 and a pharmaceutically acceptable excipient--.**

### ***112 Rejections Withdrawn***

The rejection of claims 17-23 and 32 under 35 USC 112, second paragraph, outlined in the previous Office Action, has been overcome by applicant's amendment.

The amendment cancels claim 19. Claims 17, 21, 22 and 32 have been clarified as appropriate. The rejection of dependent claims 18, 20 and 23 is now moot.

***Allowable Subject Matter***

Claims 1-6, 16-18, 20-23 and 32-38 are allowed. The following is an examiner's statement of reasons for allowance:

The closest prior art appears to be WO 98/17624, cited by the applicant in the IDS, which teaches compounds structurally related to those of the instant invention (see, for instance, scheme 10 page 25). The reference neither teaches nor suggests the instant compounds. Nor would it have been obvious to one of ordinary skill in the art at the time of invention to modify the compounds of the prior art in order to arrive at those of the instant invention. There is no motivation to do so.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

***Conclusion***

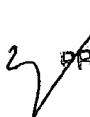

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Brian J. Davis whose telephone number is 571-272-0638. The examiner can normally be reached on 8:30-5:00.
